DELEGATION OF THE UNITED STATES OF AMERICA

OFFICE OF THE UNITED STATES REPRESENTATIVE
to the
CONFERENCE OF THE TEN-NATION COMMITTEE ON DISARMAMENT
American Consulate General
Geneva, Switzerland

March 30, 1960

Dear Allen,

Certain of the men who have been assigned to this Delegation by the several Departments and Agencies have been requested to make individual, periodic reports to their respective offices as to their impressions of how things are progressing here. These would be in addition to regular Delegation reports.

I have requested that there be no communications with the various Departments or Agencies by anyone on the staff which are not either available to all persons in this Delegation or cleared personally with me.

In line with this, I have requested that these individual reports be submitted for my comment before transmission. I shall not undertake to censor these reports; I shall, however, feel free to make comments on their content.

My reasons for this are based solely upon my desire for harmony here in the Delegation; and also to avoid different impressions going to the Agencies and Departments in Washington which, as they accumulate over a period of time, will cause confusion and unnecessary problems both there and here.

If this arrangement troubles you, I would be glad 25X1 to discuss the matter with you. I am sending a similar letter to the Secretary of Defense, the Chairman of the Joint Chiefs of Staff, and the Chairman of the Atomic Energy Commission.

The Honorable
Allen W. Dulles
Director of Central Intelligence
Washington 25, D.C.
